Ceremonial Groundbreaking

Thank you for joining us today.

Please remain after the groundbreaking ceremony
for light refreshments.

*The Milestone Project is a \$234 million addition to
OSF Saint Francis Medical Center and
Children's Hospital of Illinois.
When completed, the Milestone Project
will represent the largest privately-funded construction
project in Peoria's history.*

*We are grateful you are able to join us on this very special day.
On behalf of The Sisters of the Third Order of St. Francis, we
thank you for your support of our Mission of serving with the
greatest care and love. We look forward to an exciting future,
caring for families in central Illinois and beyond.*
